

DECLARATION OF CONFORMITY

Company Name: MAPELOR S.L.

Full Address: c/ PARTIDA PETRILS S/N (ALICANTE)

Product: Paper and Non-woven Manipulated Products.

The materials used in the manufacturing of our products comply with the legislation on materials in contact with food, according to Regulation (EC) No 1935/2004 of the European Parliament and of the Council, dated October 27, 2004, on materials and articles intended to come into contact with food. All of this is in accordance with the certificates provided by the suppliers with whom we work.

According to the certificates provided by our suppliers, the materials of our products have been manufactured in accordance with Regulation (EC) No 2023/2006 of the Commission, dated December 22, 2006, on good manufacturing practices for materials and articles intended to come into contact with food.

Furthermore, they do not contain hazardous components in concentrations exceeding those established by law, according to Regulation (EC) No 10/2011 on plastic materials and articles intended to come into contact with food. They also comply with the "für Risikobewertung" (BfR) Paper and Board for food contact recommendation (September 1, 2017).

As for the inks used in the manufacturing of our tablecloths and napkins, our suppliers certify that there are no traces of mineral oils harmful to health in their composition.

Regarding adhesives, our supplier establishes the suitability of the product for contact with food based on the regulations cited.
